

## **8 HOMEWORK TIPS**

- 1. Talk with your teacher regarding his or her expectations for completing and grading homework.**
- 2. Set up a time each day to study and complete homework assignments.**
- 3. Study and do homework in a comfortable and well lit room.**
- 4. Keep distractions to a minimum.**
- 5. Always keep a supply of pens, pencils and paper handy.**
- 6. Use a calendar or organizer to keep track of assignments and due dates.**
- 7. Assistance for helping to complete homework and classwork is available for most subjects through study groups and hotlines at school.**
- 8. Schools and public libraries provide additional resources and internet access to find information for help or tutoring in most subjects.**
